Friday 12th September 2008

Dear Dorset Cereals,

My name is Kate Gosling and I am a Year 6 pupil at Holy Trinity Primary School. I am writing this letter on behalf of all the children to thank you for the fantastic Edible Playground that was given to the School. This is excellent for us to have as I know it won a Gold Award at the Hampton Court Flower Show 2008.

It is amazing that it is now part of our school. As it is filled with fruit trees, vegetables, cereals, edible flowers, herbs and fruit it looks really neat! It has excellent ideas to scare birds from eating the seeds, such as netting, scare crows and C.Ds!

Having the garden at our school will give us ideas for healthy eating and gives us a chance to talk about the environment, especially as it has a solar panel. We are soon going to start a school gardening club and we are now having Eco-meetings!

Thank you again for the lovely Edible Playground.

Yours faithfully,
 Kate Gosling.
